

Breast Cancer Action has been educating and taking action to address and end the breast cancer epidemic for almost 30 years. Founded in San Francisco in 1990, Breast Cancer Action has 60,000 members across the country.

Our mission is to achieve health justice for all women at risk of and living with breast cancer.

Breast Cancer Action educates, organizes and takes action for systemic change in three areas:

- Breast Cancer Screening, Diagnosis and Treatment
- Root Causes of Breast Cancer
- Pink Ribbon Culture and Marketing

With your support, we can ensure fewer women develop and die from breast cancer, and no community bears a disproportionate burden of diagnosis or death from this disease.

For more information, please visit www.bcaction.org or www.thinkbeforeyoupink.org.

Breast Cancer Action is hosting our *7th Annual Acting Out - For the Health of It* event, an entertaining and thought-provoking show on June 27 at Piano Fight in San Francisco, CA. The event features a medley of fun and provocative performers, including talented comedians, authors, dancers, and musicians who join us in our commitment to health justice.

We never accept money from corporations or organizations that contribute to or profit from breast cancer. Your support will help Breast Cancer Action address the needs of women at risk of and living with breast cancer and support our independent voice.
